Dear Sir,

PROPOSED GLASS CANOPY SHELTER FOR HS LABS AT BLK 82 LEVEL 3, Ngee ANN POLYTECHNIC, 535 CLEMENTI ROAD, SINGAPORE 599489

Contractor's Performance (Orion Integrated Services)

We assess the Orion Integrated Service (OIS) based on the following criteria; master schedule, workmanship, supervision and response time.

Based on master schedule, they have keep up or atleast followed the master schedule and have delivered the project on time.

In terms of workmanship, no major defects has been cited and the deemed the completed works as acceptable.

As per their supervision and response time, they are very well coordinated most especially with their sub-contractors. They make sure that all commitments has been met and all issues that arises has been settled in very quick manner.

Over all, based on their performance on this project, they have done an acceptable job and can deliver as per committed.

Regards,
